WINER'S Canadian Vermifuge—The best remedy ever yet discovered for all kinds of WORMS. It not only destroys Worms and invigo-rates the whole system, but it dissolves and carries of the superabandant slime or mucus, so prevalent in the stomach and bowels of children, more especially those in bad health. The mucus forms the bed or nest in which worms produce their young, and by re-moveing it, it is impossible for worms to remain in the body. It is harmless in its effects on the system, and the health of the patients is always improved by it use, even when no worms are discovered; the medcine being palatable, no child will refuse t take is not even the most delicate.
